

Though,  
I have  
to say,  
there's  
no basis  
for it.

Because  
I like you.

Yeah?

I don't  
know  
where  
he gets  
it.

My  
superior,  
Honda-  
san, has  
great  
confi-  
dence in  
himself.

Why does  
he favor  
me?  
I have  
no idea.

Hi!

Don't kill the  
mood—  
You look so  
cute, so don't  
spoil it.

Well...

Why does  
he have so  
much  
confidence  
in thinking  
we're  
dating?

He wants  
to go out  
with me in  
"that way."  
There's no  
way I'd go  
out with  
him. Is  
there  
something  
wrong with  
his head?

Eh?

I like you...  
Because I  
like you, let's  
go out.

Afterall,  
he con-  
fessed  
to me  
in his  
own  
way.

Where you're concerned, somehow, legs and butts become vulgar.

From the start, it's important to choose underwear that feels the best when it touches your skin.

I thought you had an interest in the world of underwear, and yet...

Come to think of it, it's the first time I've seen him like this.

He's really stuffing his face.

How can he put so much in his mouth?

No. No. That's not what I should be doing on...

He looks like a hamster.

To begin with, why are you getting all excited from seeing a high school girl's panties from under her nose?

Stretching my legs is indecent. Even if you saw her underwear, it's not okay. Don't you have any integrity?

Whoa there, accidentally thought he was cute.

Oil Stop already! You're neck's already tilting!!

Why are you so grumpy?

Are you hungry?

How was I supposed to know what you like?!

Oh yeah, why's there an egg? There's also red pickled ginger and 7-spices in the bag.

I wouldn't have put these flavors together.

Didn't you buy this for me?

Are you seriously listening to me?

Cute?  
Cute??  
Cu...  
**There's no way!**

It's no use. I can't follow him.

tremble

Hungry...?

tremble

How am I supposed to feel about this?

munch

munch

munch

Yeah.

Wanna eat half?

tear?

Why? You don't feel so good?

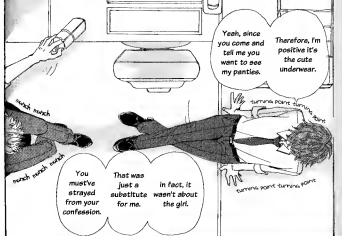

What's the best thing to do in this situation?

Why did I specifically come back here for, again?

I didn't come

To eat with you.

Yeah, since  
you come and  
tell me you  
want to see  
my panties.

Therefore, I'm  
positive it's  
the cute  
underwear.

You  
must've  
strayed  
from your  
confession.

That was  
just a  
substitute  
for me.

in fact, it  
wasn't about  
the girl.

My bad,  
man.

Actually,  
I'm certain  
that's not all.

Honda-san,  
isn't it me?

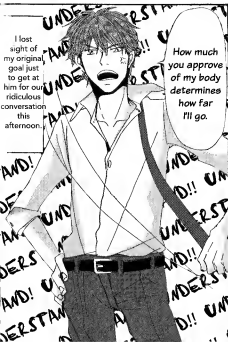

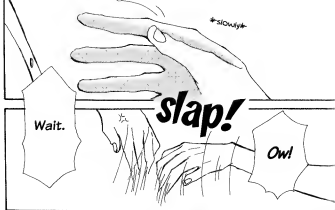

How  
about  
men's  
firm  
thighs?

You'd be  
unsatisfied  
with just  
that.

All you want  
is for me  
to wear  
underwear,  
right?

fwitch

Hey! That's not it. Hurry up!

\*reaching\*

Hehehehe  
I won't  
indulge here.

To go that far... huh. If you want me to go that far & see them, this isn't the way to go about it.

What do you want? Didn't you say you wanted to see a man's ass? Naughty

This bastard's happily grinning.

Don't you have any confidence? Do it more sexy, Nii-chan!!

grabs

However,

Uwaa

Though it may be impossible for you, I'll leave you completely speechless.

glare  
glare  
glare

You can touch and look to your heart's content, but I decide what's okay.

It hurts!

My neck...

I'm embarrassed by the underwear color and fabric I'm wearing today.

What's with the lightning moves?!

shoves

The type?

What's going on?

The type.

Since Y-shirts are see-through...

They're usually white.

You didn't choose appropriate panties for today even though you went on and on about how they feel.

Eh?

When I went shopping and saw these, I looked at the fabric tag and

The cotton's fine, but it gives me a binding sensation that I don't want.

Though, I have to say, cotton suits are fine since it has a good stretchy quality.

I hate to disappoint you, but I usually wear mini-boxers.

So there's nothing interesting to look at.

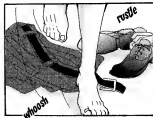

Even if that's the case, what the hell am I doing?

whoosh

You like cute ones, but I'm not wearing one now.

whoosh

I thought this would be fine, though.

I know you have an amazing body.

I've seriously looked at you.

Because I think you're cute.

After my excessive working...

Look at my legs.

Haven't I said for a while that you're good?

humpf

tick

flap

I can't believe I'm acting so nonsensically.

Shibuya.

He doesn't get it.

smack

smack

I'm a fool...  
How did he get me to say those things against my will?

embarrassed

embarrassed

Huh?

**pulls**

Come here a sec.

realizes

Of course I'd be hard if you rubbed your ass against me.

**jumps**

Whoa!  
Why are you hard?!

**\*big impact\***

Uwaa

Well...
